# Our Wines

We feel the ethos and philosophy behind the creation of wine is the most important thing to consider, more than a certification. Practising or certified, we feel those producers who work with a philosophy in mind should be recognised. Those producers who respect the land they work, the wine they make and the people they employ. To this end, you will see producers in this portfolio recognised as acting in a sustainable manner, having organic or biodynamic practices or producing certified organic wines.

# TERMS & CONDITIONS OF SALE

**IMPORTANT:** These Terms of Sale are considered by us to set out the whole agreement between you and us for the sale of the wine. Please ensure that you read and understand these Terms of Sale before you submit an order, because you will be bound by these Terms of Sale once a contract comes into existence between you and us (no previous written or oral agreements will apply to that contract).

## PLACING YOUR ORDER

**1.1 Making & accepting orders:** You can place orders for wine by telephone, email, fax, via our website or directly with our sales representatives. Your order is deemed to be an offer by you to enter into a legally binding contract with us. We are free to accept or decline your offer at our absolute discretion. These Terms of Sale shall form a binding contract between you and us only when we either issue you with express written or verbal acceptance of your order or we deliver the wine (or make the wine available for collection, where applicable), whichever is the earlier, at which point a contract shall come into existence between you and us (our receipt of payment does not constitute our acceptance). Contracts can be concluded in the English language only.

**1.2 Minimum order quantity:** Unless otherwise expressly agreed by us, we will not accept orders for less than 3 cases containing 9 litres equivalent of wine in each case. Where we accept orders for less than this quantity, a) a delivery surcharge is payable by you, as detailed in clause 2.2, or b) the value of the order exceeds £250 ex Vat.

**1.3 Availability of wine:** All of the wine we offer is subject to availability from our suppliers. We will try to contact you promptly if we are unable to supply the wine that you have ordered and we will give you the option of either varying or cancelling your order.

**1.4 Age restriction:** It is illegal for us to sell wine to anyone who is, or appears to be under the age of 18 years. By placing an order, you confirm that you are at least 18 years of age; we reserve the right to cancel the contract between you and us if we or our couriers are unsure of whether you are at least 18 years old.

**1.5 Cancellation:** If you are a consumer, you can cancel your order for any reason up to 7 working days from the date of delivery of the wine, provided that all of the bottles are unopened and intact. We will refund the full price you have paid to us for that order within 30 days from the date of cancellation. Any wine delivered must be made available for our collection and we reserve the right to charge the cost to us of recovering the wine. If you are not a consumer, we might, at our sole discretion, still permit you to cancel your order if we decide that this will not adversely affect us; please contact us promptly if you wish to cancel.

## 2. PRICES AND PAYMENT

**2.1 Our prices:** The price payable by you for our wine will be, unless otherwise agreed in writing, the price set out in our price list published at the time the wine is ordered. We may alter our prices at any time prior to delivery to account for factors such as VAT, excise duty, market and currency fluctuations and in such cases we shall endeavour to contact you promptly and give you the option of either paying the revised price or cancelling your order. Our prices are quoted exclusive of Value Added Tax and VAT will be charged where applicable at the prevailing rate (For sale transaction under bond where zero vat rate applies, please contact us).

**2.2 Other charges:** Duty and the cost of delivery to mainland Great Britain are included in the prices we quote, unless otherwise stated. If we accept an order from you for less than 3 cases of wine or 36 bottles of 9 litre equivalent, to be delivered to an address in mainland Great Britain, an additional delivery surcharge will be imposed. For Scotland the additional delivery charge is £9.00 ex vat and for England, the additional delivery charge is £12.00 ex vat. If you require delivery be made to a destination which is not in mainland Great Britain, please contact our customer service department.

**2.3 Currency:** You must make payment to us in the same currency as the price quoted by us at the time you place your order. We reserve the right to make any refunds in the currency you used to make payment to us.

**2.4 Making payment:** Unless otherwise agreed by us in writing, payment for all wine must be made in advance in cleared funds (without any deduction by way of set-off or counterclaim). We accept payment by all major credit cards except American Express. We also accept payment by cheque payable to "Alliance Wine Company Limited", by Direct Debit or by bank transfer (our bank details are available on request).

**2.5 Late payment:** Where we agree that payment may be made in arrears but you fail to make the payment due to us in full by the due date for payment, we reserve the right to charge interest to you on the overdue amount at the rate of 8% above the base lending rate of the Bank of England from time to time. This interest shall accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after judgment. You must pay us interest together with the overdue amount. Without limiting any other remedies or rights that we may have, if you do not pay us on time, we may cancel or suspend any outstanding order until you have paid all outstanding amounts.

We reserve the right to withdraw any credit facility provided and all monies will become due and payable with immediate effect.

**2.6 Transfer of ownership:** Ownership of the Goods shall not be passed to the customer until the "Company" has not received in full (in cash or cleared funds) all sums due to it in respect of;

**2.6.1: The Goods and**

**2.6.2: All sums which are or which become due to the "Company" from the customer on any account**

**2.6.3: Until ownership of the Goods has passed to the customer, the customer must:**

a) hold the Goods in a fiduciary basis as the "Company's Bailee";

b) store the Goods (at no cost to us) separately from all other Goods of the customer or any third party in such way that they remain readily identifiable as the property of the "Company"

You may however resell the wine in the ordinary course of your business after we have delivered it to you (but you must not deal with the wine in any other way, nor may you permit any lien, charge or encumbrance to be created over the wine, until, in any such case, payment has been made to us subject to the above clauses). If you fail to make payment to us in full within 30 days of the due date for payment or if the contract between you and us is cancelled or otherwise terminated for any reason prior to payment being made to us, you agree that, without limiting any other remedies or rights that we may have, we (and our agents) shall be entitled to enter any premises where you store wine to ascertain whether any of the wine we own is stored there and to inspect, count and recover that wine.

**2.7 Return of Goods:** Return of goods is solely at company discretion and must be agreed prior to return. Any transportation cost for returned goods will be your responsibility unless otherwise agreed.

## 3. DELIVERY

**3.1 Date for delivery:** We will try to deliver the wine you have ordered promptly (or otherwise as agreed by our customer service department at the time you place your order); however, any delivery dates we provide are estimates only. If we cannot supply the wine you have ordered (where applicable, by making it available in accordance with any Incoterms we have used, as explained in clause 3.3) within 30 days of receiving your order (or by any alternative date we have agreed with you), we will contact you as soon as possible to give you the option of either accepting a later

delivery date or cancelling your order. If we are not reasonably able to ascertain your preference, your order will be treated as cancelled.

3.2 Delivery location & risk: Unless otherwise stated by us, deliveries will only be made to addresses in mainland Great Britain or mainland Northern Ireland and all risks to the wine will be your responsibility from the time of delivery. This does not apply where we incorporate Incoterms, as explained below.

3.3 Our use of Incoterms: Where stated in our price list (or in contract terms agreed by us), our wine will be supplied:

- Deliver duty paid (also referred to by us as DDP)
- Deliver under bond (also referred to by us as DAP)

These expressions shall have the meaning given to them in the International Chamber of Commerce's 'International Commercial Terms' / 'Incoterms' and, where these expressions are used by us, the applicable responsibilities set out in the most recent version of Incoterms in effect when ordering shall apply in addition to the provisions in these Terms of Sale (and in the event of any conflict, the provisions of Incoterms shall prevail). More information regarding Incoterms is available at <http://www.iccwbo.org/incoterms>.

Failure to accept delivery: We may use an independent courier of our choice. If you fail to accept delivery of the wine you have ordered within 3 days of our first attempt to deliver the wine to the specified address, we may charge you for any consequential storage costs reasonably incurred by us (unless your failure is caused by events beyond your reasonable control) and we shall not be liable for late delivery.

#### 4. OUR QUALITY GUARANTEE

4.1 Customer service: We work hard to ensure that our customers are satisfied with our service. If you have any questions or problems, please contact us at:

Alliance Wine, 7 Beechfield Road, Willowyard Estate, Beith, Ayrshire, KA15 1LN

Tel: 01505 506060 Fax: 01505 506066 E-mail: [orders@alliancewine.com](mailto:orders@alliancewine.com)

4.2 Quality guarantee: The following warranty is in addition to the legal rights granted to consumers by law. Advice about the legal rights of consumers is available from your local Citizens' Advice Bureau or trading standards office. All other warranties are excluded to the fullest extent permitted by law. We warrant that, on delivery, the wine we supply will:

- be of satisfactory and merchantable quality
- comply with all applicable UK laws and regulations; and
- conform in all material respects with the description of that wine contained in our written quote and the sample of that wine supplied to you, each as applicable (our suppliers may however change the style of labels and packaging at any time so we cannot guarantee that bottles, labelling or packaging supplied to you will match the descriptions or images contained in our promotional or other material, other than in relation to the labels of any 'personalised House style wine' that we have agreed to supply to you).

4.3 Returning defective products: In the unlikely event that our wine does not conform to the quality standards above, is otherwise defective or is not what you ordered, please let us know promptly after delivery. If you notice a mistake made by us after you have received the wine, we would appreciate it if you would please notify us within 48 hours. You must make any rejected wine available for collection by our courier if we request and take reasonable care of it pending collection. We will promptly refund any payment made

by you for defective or incorrect wine that we have supplied. If, however, you reject wine which is not defective or incorrect (and you are not otherwise entitled to cancel your order), we reserve the right to charge you the direct cost to us of collecting, testing, storing and redelivering the rejected wine.

4.4 Errors made by us: We try to ensure that our descriptions and prices are accurate. If, prior to delivery to you, we discover an error in relation to the wine you have ordered, we will contact you as soon as possible to give you the option of either confirming your order subject to correction of the error or cancelling your order (and receiving a full refund of any prepayments you have made). If we are not reasonably able to ascertain your preference, your order will be treated as cancelled.

4.5 Correcting your mistakes: If you want to correct any mistakes you made in your order, you must inform us by telephone or by email prior to both your order being accepted and the wine being delivered. If you inform us of your mistake after your order is accepted or after the wine is delivered, we may, at our sole discretion, agree to amend your order (but we reserve the right to charge you for recovering the wine from you and for delivery of its replacement to you, where applicable).

#### 5. LIABILITY DISCLAIMER

5.1 Extent of this disclaimer: Nothing in these Terms of Sale shall in any way limit our liability for death or personal injury caused by our negligence; for fraud or fraudulent misrepresentation; or for any other matter for which it would be illegal or unlawful for us to exclude or attempt to exclude our liability.

5.2 Liability restriction: If you or we do not comply with these Terms of Sale, neither you nor we shall be responsible for any loss of income or revenue, loss of business, loss of anticipated savings, any waste of time nor other losses that the other suffers as a result which are not a foreseeable consequence of the failure to comply with these Terms of Sale.

5.3 Liability to business customers: Unless you are a consumer, our total liability to you, in respect of any claim by you arising out of or in connection with the provision of (or the failure to provide) wine shall be limited to the sum paid by you to us for the wine which is the subject of the claim. Unless you are a consumer, all wine must be examined by you upon receipt and we shall not be liable for any shortages or breakages which are not reported to us within 24 hours of us delivering the wine (or making the wine available for collection, where applicable).

5.4 Events outside our control: We shall not be liable for any delay or failure to supply wine which is wholly or partly caused directly or indirectly by any circumstances beyond our reasonable control, including, without limitation: adverse weather or natural disaster; terrorism, war or civil commotion; any labour dispute; compliance with any law or governmental order, rule, regulation or direction; or non-performance by any of our suppliers.

## CREDIT ACCOUNTS AND USE OF PERSONAL DATA

The following information is applicable if you apply for a credit account with us:

**Information we use:** If you apply for a credit account with us, we will search the records we hold and your records at credit reference agencies or third parties: they will give us shared credit information, fraud prevention information, and public information (such as details of English County Court Judgments, bankruptcies and information from the electoral register). If an application for a credit account is being made by or on behalf of a company, partnership, or other such entity, we may use credit reference agencies to check the details of the individuals who own and/or control that business. You must ensure that they are all aware that their details may be used in this way. Please contact us if you want details of those credit reference agencies from which we obtain, and to which we pass, information about you. You have a legal right to these details. We may use credit scoring or other automated decision-making systems to assess your application.

**Sharing information about you:** We may share your information with credit reference agencies or third parties. This information remains on the agencies' files for 6 years after our credit arrangement with you is terminated. Whether or not your application proceeds, the agencies will add to your record details of our searches and your application. This record (but not our name) will be seen by other organisations when you apply for credit in the future. A large number of applications within a short period of time could affect your ability to obtain credit. We will also add to your record with the agencies details of your business' agreement with us, the payments your business makes under it, and any default or failure to keep to its terms.

**Use of your credit reference information:** The information held by the credit reference agencies or third parties we use will be disclosed to us and other organisations (in the UK and in other countries) to, for example prevent fraud and money laundering; trace your whereabouts; recover debts that you owe; manage credit accounts and other facilities; or to make decisions on credit, insurance and other facilities, about you, your financial associate(s), members of your household or your business.

**Linked information:** The information credit reference agencies or third parties give us about you may already be linked to information about someone else you have had a joint account or similar financial association with, including members of the same household. By submitting an application you confirm that their finances will not affect our decision. We may check this and may turn down the application if we find it is inaccurate. An 'association' between joint applicants (between you and your business partner, for example) will be created at credit reference agencies. This will link your financial records, each of which will be taken into account in all future applications by either or both of you. This will continue until one of you successfully applies to the agencies to have the association removed.
